Online training program: Ministers of the Word

Become a Minister of the Word

Our latest online training program will enable new and experienced Ministers of the Word to develop their skills and confidence to proclaim the Word of God. It will launch early in 2023.

This four-week program will be led by an experienced liturgy instructor who will guide participants through our engaging materials in a friendly and supportive learning environment.

DEVELOP ESSENTIAL SKILLS AND KNOWLEDGE

The practical and spiritual preparation needed for this liturgical ministry will be explored through videos, recordings, quizzes, readings and reflection-based activities. Online Zoom classes and exercises which isolate individual aspects of proclamation and public speaking will enable participants to develop substantive practical skills. There will be many opportunities for interaction and meaningful feedback and this program will promote a rich understanding of liturgy, ministry, the Lectionary and the Liturgical Year.

WORK WITH YOUR LOCAL COMMUNITY

Participants must be recommended by their parishes, schools and Church organisations prior to registering. Engagement with the local faith community will be a feature of this program.
